# Europe Area Plan

For the year of 2010

## Area Priorities

Establish the Church in the Europe Area by doubling the active membership in the next ten years. The Area Presidency *priorities* to reach this end are:

Maintain a sustainable growth of convert baptisms, between 6,000 and 10,000 a year.

Invite every Ward/Branch to act and work in council to constantly bring less-active members into full activity. Bring back into activity 4,000-6,000 every year.

Invite the youth to strengthen their testimony and receive saving ordinances. Invite all those that are eligible to serve a mission.

## The 2010 Emphasis

Focus the training of missions and missionaries on the principles contained within *Preach My Gospel* and invite all missions to establish standards of excellence with the objective of increasing the baptisms per missionary in spite of the planned decrease of complements.

Year	Results		Goals		
	2008	Per missionary	2009	Per missionary	2010
Baptisms	5,670	1.4	6,800	1.7	7,000

Increase the participation of the youth in multi-stake youth activities, enrollment in daily seminary, and invite all those that are eligible to serve a full time mission.

Focus on sustained growth among the Young Single Adult age group.

Use Centers for Young Adults as powerful tools for conversion, retention and reactivation.

Area Seventies to continue to work with Coordinating Councils to implement the "Ward Missionary Process". Invite both the Priesthood brethren and Relief Society sisters to reach out to the less less-active.
